

THE WISKA SPIKE® VERTICAL

*Hudson
lighting*

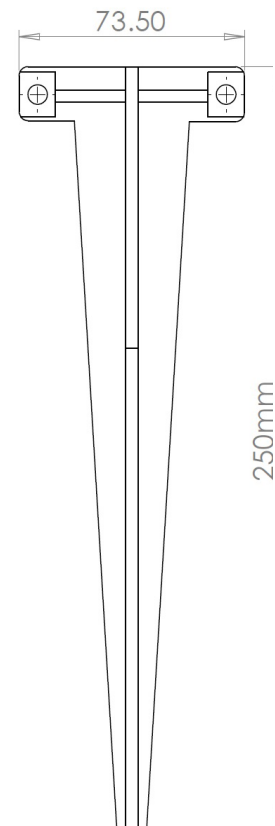

For mounting WISKA boxes vertically as if you would to a wall.

Fits the following boxes:

108, 118, 308 & 407 WISKA boxes - 108 & 118 directly screwing through the box, 308 & 407 via the grey push fit bracket which comes with the box

Utilises encapsulated m5 nuts and countersunk screws. Screws and nuts are 304 stainless steel.

Recommended for use with Hi-Tuff's, NYY-J, flexes, rubbers and other softer cables. For SWA see SWA toppers.

MADE IN ENGLAND
